Southwest Green Build Council

The Applicant agrees to abide by the Mission, Purpose, and Goals of the Southwest Green Build Council.

MISSION:

The Southwest Green Build Council (SWGBC) encourages the voluntary development and construction of Green Certified Projects through education, communication, and advocacy of responsible green building practices.

PURPOSE:

The Southwest Green Build Council shall be an advocate in the community for promoting a heightened sense of responsibility in sustainable practices, striving to bring people together in this common purpose to improve the buildings that we live and work in for a better tomorrow.

GOALS:

- 1) Lead the advancement of green building policies, practices and projects throughout the Southern Utah region providing resources for builders, tradesman, realtors, home buyers, community leaders, and other professionals.
- 2) Advocate for responsible green building policy, building and zoning codes, and program incentives in all levels of government.
- 3) Build social equity by supporting community leaders as advocates for green communities including infrastructure, landscapes, building design, rehabilitation, and operation.
- 4) Increase membership and create an exceptional member experience that provides meaningful opportunities for professional development, social networking and thoughtful discussion of green building policies and practices.
- 5) Develop the SWGBC's organizational structure and leadership capacity to leverage the knowledge, expertise and passion of all SWGBC members.
- 6) Position the SWGBC as the Southern Utah region's green building leader and first point of contact.

MAIN OBJECTIVES:

- Provide educational programs for industry professionals and consumers.
- Promote certification of homes through the National Green Building Certification Program.
- Increase public awareness of green building.

The Applicant agrees that the SWGBC program's name, logo, program documents, and other materials belong to the Southwest Green Build Council or the National Green Building Certification Program and they cannot be used without the Program's permission.

The Applicant agrees to indemnify, defend, and hold harmless the Southwest Green Build Council, the Southern Utah Home Builders Association, their officers, employees, volunteers, and subsidiary members from any claims, damages, lawsuits, liabilities, demands, causes of action, contribution toward damages, allegations, attorney's fees and costs related in any manner to any actions or omissions of the Applicant/Member or to any homes sold or constructed in whole or in part by the Applicant/Member.

I agree with and will abide by these Terms and Conditions.
